NATIONAL ADVISORY COUNCIL ON ECONOMIC OPPORTUNITY

The President's Message on Urban and
Rural Poverty

Comparison between the Old and New Bills

For information of Members of the Council, attached is a copy of the President's Message to Congress of March 14, 1967.

Also attached is a summary of the follow-up to this Message: the new Economic Opportunity Act for 1967 as compared with the existing Act. (The complete text of the 1967 Bill which the Administration has just proposed is 145 pages; I shall be glad to send one to any member who wishes the full Bill.)

These two documents will be the basis for the OEO presentations to the Council in the afternoon session of our next meeting.
