MEMORANDUM

TO: National Chicano Advisory Committee
John Florez

FROM: Grace Olivarez

SUBJECT: Advisory Council Meeting

We have selected the Roadway Inn, near the airport in Phoenix as the site for our next Advisory Council meeting. We would like to begin with a luncheon on Friday, October 30 around 1 p.m. (but no later than 2 p.m.) and discuss after lunch the results of the October 20th Foundation meeting in New York.

As usual, a happy hour around 6 p.m., dinner afterwards and begin a review of the documents we mailed to you. Saturday, October 31, we will begin with breakfast around 8:30 a.m., and finish discussing the National Urban Coalition - Report on National Priorities. I urge you to schedule your return trip around 12 or 1 p.m.

There will be no luncheon on Saturday and the Agenda of course, is subject to change. Because of tax reform legislation, we are asking you to request your airplane ticket in writing immediately. If we have not heard from you by October 27, we will assume that you are not attending. Please do not take the date October 27 as the day that you will use to report because by then, it will be too late to process more than two requests for prepaid tickets.

Again, let me urge you, if you have not already done so to notify us in writing that you will attend the meeting.

Dear Dr. Garcia:

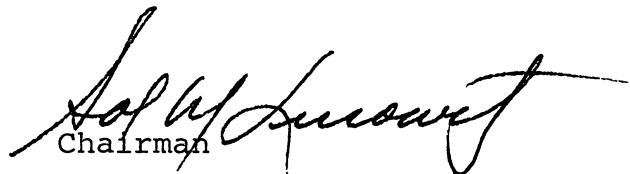

In the two weeks since I became Chairman of the National Urban Coalition, I've been highly gratified by the expressions of support and the dedication to Coalition objectives on the part of the Steering Committee, Executive Committee, and members of the staff.

Now that Jack Vaughn, former Director of the Peace Corps, has joined us as President, in charge of day-to-day operations, the team has been greatly strengthened. Carl Holman has been designated Senior Vice President for Policy and Program Development and will continue to serve as Chairman of the Policy Committee. Peter Libassi will be Special Assistant to the Chairman.

I look forward to seeing you at the Steering Committee meeting on November 23 and I want you to know how much I'll be counting on your counsel and guidance to help us move in the right direction and with the right thrust.

With best regards.

Sincerely,

Chairman
