Dear Mr. Garcia:

Recently I announced my candidacy for Lieutenant Governor of Texas. A copy of my announcement is enclosed, and I am hoping that it meets with your approval.

As you know, running for office is a big undertaking-- especially in a state as large as Texas. I am making this campaign, however, because I believe that it is imperative to the cause of good government in Texas that the duties of the office of Lt. Governor be properly discharged.

I am writing to solicit your active support. I shall need your personal vote, your recommendation to your friends, work in the campaign organization, if possible, and also your financial help.

I will greatly appreciate hearing from you soon.

Sincerely yours,

George Nokes
