Dear Hector:

I hope you are in the best of health as this leaves all of us, thanks to God. Dave was nice to have talked to you on the phone the other day.

Hector, I haven't written to Mr. McCormick as yet — reason — Commissioner Albert Pena from Bexar Co. flew to Washington last week so before he left I had a talk with him and gave him two (2) copies of my personal data. Mr. Pena kept a copy for his files and took the other to Mr. McCormick.

I called Mr. Pena yesterday. He stated that Mr. McCormick will keep me in mind, Hector when I had the talk with Mr. Pena I told him that I would consider — 1<sup>st</sup> priority — "trouble shooter" for the Fair Employment Practices Committee in Texas especially in the southern part of the state.

2<sup>nd</sup> priority - Regulate or stop the migratory  
worker in their migration. The 3<sup>rd</sup> priority  
would be doing liaison work either as a  
civilian or military in any of the Latin-  
American countries - this would include  
military attacks. Of course military attacks  
includes cutting orders and calling me back  
to the military service, and this probably would  
require Mr. McCormick to make contact with  
Representative Kilday.

Shutor, I would appreciate anything that  
you can do for me.

Write or call me collect. I am usually home  
Monday through Friday around 4:30 P. M. I am  
home every week-end. My telephone no. is DI 4-6356

Wish you and your family the best of everything

As ever,

Your friend  
Beto

Please excuse scribbling and mistakes. I  
could have typed it but to me writing  
long hand signifies more.
