P.A. S. O - President
3024 Morgan
Corpus Christi, Texas

Dear Sir:

It gives me great pleasure to inform you that the initiating of a P.A.S.O group here in the San Fernando Valley has come about. A group of us have met & elected officers of the club. The names of the officers are herein enclosed. The membership list with the proper amount of money will follow shortly.

Please inform us as to the identity of the officers in the Westminster & San Diego area. We would like to communicate with them.

We would appreciate it greatly if you would send us all

officers in our club. We have not
received our membership card.
The check was cashed by the
organization & I have it in my
record. We would appreciate
it very much if our cards
were to be sent to all the officers
of our club.

Thank you ever so much.

Sincerely
Sam Cordova
Vice-President
San Fernando Valley
