etting goals, meeting challenges, striving for excellence are key to the endless possibilities the future holds in store for America. 9 9

Ronald Reagan, August 25, 1984

A. Sovereign symbol of strength, grace, and freedom . the American eagle. For more than 200 years, this noble creature has represented our great nation. Now, it soars to new heights in this exquisite bisque sculpture specially created by the renowned Edward Marshall Boehm Studios.

Proudly displayed in museums, palaces, and private art collections around the world, Boehm porcelains are selected as gifts of distinction for heads of state and visiting dignitaries. Now, you too can own one of these original masterpieces, cast in a limited edition of 500. Only the purest white bisque porcelain is used for each piece. And every creation is true to its subject in flawless detail and boundless spirit. 14" wide, 7" deep, 19" high.

Porcelain Soaring Eagle, #9005, \$950.00
