Dear Dr. Garcia:

I have finally settled down in Washington at my post with The Equal Employment Opportunity Commission and I find that the EEOC offers me a real challenge in relating to a larger audience of Spanish Surnamed Americans than I imagined, as well as other minorities around the country. In a word, I hope to have a most rewarding experience while I am here.

I miss not getting together with all the people whom I have known and gotten to admire for their efforts to help others help themselves. On this subject, I can speak with authority because I am in Washington because of the help you have given me. Let me assure you that I am most grateful.

My Conchita and the children, Dolores, Sabrina, Ignacio, Athena and Sebastian (or Feliza - whichever is due in the next 2 or 3 weeks) are reasonably comfortable in our house at 6500 Luzon Avenue, N. W., Washington, D. C. 20012. We look forward to welcoming you should you come to Washington. I am enclosing some materials that will brief you on what we do at the EEOC.

Again, thank you for your kindnesses in the past, and receive the gratitude of a grateful heart.

Truly yours,
