Estimado Dr. García:

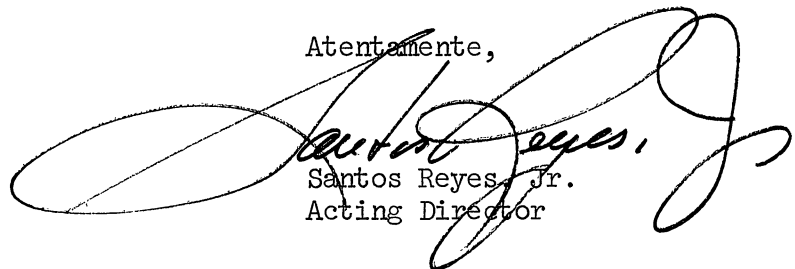

As per my earlier letter I am enclosing the slides of your excellent presentation of October 18 and hope that they will be of use to you in future lectures across the state. I would appreciate having your Social Security number as requested so that we might grant you a small honorarium for your services.

In accordance with several of our discussions I am looking forward to meeting with you and Domingo Peña on my next trip to Corpus Christi and hope you might arrange to discuss the Center on his television program.

On my next trip I will take copies of several newspaper clippings related to your talk and to the action you have taken on behalf of the Soto family.

Regards to our mutual acquaintances.

Atentamente,

Santos Reyes, Jr.
Acting Director
