Mr. Rudy L. Ramos
Washington, D. C.

Dear Rudy:

Only a short note to send you a copy of the letter I have written Mr. Friesen from the U. S. Attorney's General's office in reply to a letter I received from him today. I am going to withhold sending out the letter to him and these who appear at the bottom of the letter until next Sunday. I am sending you a copy first so that you might check it to see that it does not compromise either you personally or the G I Forum. You might also want to check it with Louis Martin. At any rate, I must have your comments by return Air Mail because I intend to mail the letter out next Sunday, December 5. If I am to get your comments in time you must air mail your letter to me not later than ~~Friday~~ Thursday or Friday morning, Dec. 2 or 3. I would very much like to get your comments before I send it out, but if I do not hear from you by next week I'll send it out anyway. I am sending Dr. Garcia a copy of the letter also in case he may want to send me his remarks.

Mr. Friesen's letter of November 19 reads as follows:

"Dear Judge Roel

" I have sent your file to the Civil Rights Division, and have also circulated it throughout all the Divisions of the Department, and, unfortunately, there seems to be no appropriate vacancy at the present time for which you might be considered.

" We have very few vacancies from time to time at the grade level you are interested in. However, you may be sure if one should occur we will certainly give you every consideration for the position.

Sincerely yours,

/s/ Ernest C. Friesen, Jr.

Ernest C. Friesen, Jr.

Please answer me by return mail if at all possible. My best wishes to you and Dr. Garcia.
