Joe Salem
State Representative
Nueces

Today is Monday December 2, 1974

Dr. Hector P. Garcia 1315 Bright St. Corpus Christi, Texas 78405 MI AMBAJADOR Dear Dr. Garcia:

Another election year has come and gone.

The hustle and bustle of the campaign is over, the running, the worry, the anxieties are all in the past and we have now settled back into our every day routine.

As I reflect back on the weeks and months of the 1974 elections, and as my thoughts settle on you my dear friend, I just wonder if I have really expressed my gratitude to you for the help that you gave me in my campaign, and the help that you gave the entire Democratic Party. I don't really feel that I have, but please believe me when I say "I wish that I could in some way convey to you how truly grateful I am, but I just do not have sufficient words to express my gratitude"

You worked as hard as any candidate, and more than some. We owe our successs to you, for myself let me simply say thank you, thank you, thank you.

I pray that I shall always conduct myself in such a manner that you will always be proud that you did help me.

Warmest personal regards

Sincerely
