Dear Friend:

According to the calendar, at least, it is now Spring. Although, as you know, I am no longer a young man, it is my "fancy", it is my desire to have a little social get-together in San Antonio on Saturday, March 10th, at 10:00 A.M.

I will be staying in the St. Anthony Hotel and I would appreciate it very much if you would attend such a function. Upon arrival you can contact the desk clerk to find out the exact meeting location.

While I have in mind a small, brief, and congenial gathering of friends and compatriots, I also think there is a need to discuss the current problems which confront our people. Possibly it would be profitable to examine the various courses of action available during this political year.

Looking forward to the opportunity of meeting with you socially and having a fruitful discussion, I am,

Cordially,

George I. Sanchez

Dear Doc:

Looks like he's going to fight!

Can't you stop him some way?

Best wishes

Shirley
