Dr. Hector P. Garcia 3024 Morgan Corpus Christi Texas

Dear Dr. Garcia:

Enclosed is a letter which I received from Dr. George I. Sánchez concerning the book about which you wrote to me.

You will note Dr. Sánchez' suggestion that Mrs. Fair's work be referred to the Texas Education Agency. I myself think this is the best plan.

I hope that Mrs. Fair will soon be able to make satisfactory arrangements for publication.

Very cordially yours,

Frank H. Wardlaw
