Dear Dr. Garcia:

Allow me to thank you for taking time from your busy schedule to speak to our LEADERSHIP CORPUS CHRISTI group last Tuesday.

The group appreciated your direct presentation and your ability to express your convictions. Several of the participants told me that they had gained a new respect for your beliefs.

I believe that the LEADERSHIP CORPUS CHRISTI program will be a good thing for our city. The few participants who will rise from this group to assume leadership roles in our community will greatly benefit from hearing men like yourself and having an opportunity to exchange ideas with you.

Again, thank you for helping to make this continuing program more meaningful.

Very truly yours,

Donald Greene
General Chairman
