Honorable Dr. Garcia

On November 17, 1973, LULAC District 15 will sponsor a LULAC/Bexar County Legislative Workshop Seminar from 8 to 5 p.m. at Tafolla Jr. High School, 1305 W. Durango.

As per the presentation that I made to the State Board of Directors meeting of the American GI Forum in Del Rio, Texas, November 27-28, 1973, inviting the Forum to join hands with LULAC and participate in this most important seminar, your invitation was not only to participate, but to be one of the main speakers in the workshop in the area of Civil Rights. We are sure that your stature as the Founder of the American GI Forum and your deep involvement as a member of the Civil Rights Commission and in all other areas of concern for the Mexican American that your knowledge and expertise would help make the seminar a huge success.

I want to personally thank you for having verbally accepted the invitation and anticipate your presence at the workshop. Letters of invitation are being sent to all the State, District and Local Chapters inviting all Forumeers to the workshop. If I can be of any personal help in making arrangements for your arrival or possibly TV coverage, please do not hesitate to call.

Sinceramente,

LULAC/Bexar County Legislative Seminar
