Dear Ed:

Thank you for forwarding me a copy of your letter addressed to Honorable "Chick" Kazen, Jr., dated January 29th.

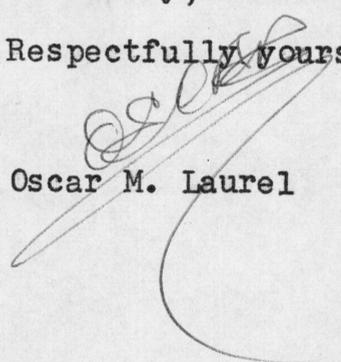

You can rest assured that I will personally do everything possible that the Texas Council on Migrant Labor be given sufficient funds to continue the great work that it has done in the past year, particularly the great need for implementing the recommendations and putting them into practice.

I am keeping closely in touch with Carlos Castillon, and I have promised him that I will attend the coming Hearing before the Appropriations Committee, and have also endorsed the support of other members of the Legislature, who are also to be in attendance.

Please feel free to communicate with me on any matter which may come to your attention and on which you feel I can be of help.

With warm personal regards to you and your family, I remain,

Respectfully yours,

Oscar M. Laurel
