Dear Dr. Hector:

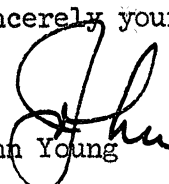

I have recently been contacted by the Department of the Army regarding the inquiry I made on behalf of Mr. Ramon Duran concerning the location of his son, Pfc Amador Duran.

They have advised me that he is presently hospitalized in Japan. His address is 249 General Hospital, APO San Francisco 96267. Pfc Duran received a gun shot wound to the left side with post-operative wound infection. At the present time his prognosis is excellent and condition good. He is to be evacuated to the States in approximately two weeks where he will be placed in the hospital nearest his home which can adequately deal with his injuries.

I was glad to make this inquiry for you and I am pleased that Pfc Duran is recovering well.

With kindest regards, I am

Sincerely yours,

  
John Young
