Dear Dr. Garcia:

NEW DAY, the national magazine I mentioned to you over the phone, not long ago, and during the GI Forum Convention at Riverside last year is scheduled to come out in November 1962. The enclosed folder tells you briefly what this new magazine will be about.

One of the things the folder does not mention is the fact that NEW DAY will contain an ORGANIZATIONS PAGE. This page will be devoted to the history, aims, activities, news, etc. of different organizations such as the GI Forum, Lulac, Passo, Mapa, etc.

It would be wonderful if you, one of the top leaders among the Mexican American citizens in the country, would write an article for the first issue of the infant NEW DAY relating the importance, the value, of being a member of organizations such as the GI Forum.

NEW DAY will be symbolic of a new era, a new dawn, a new day among our people. In the light of this new day, the Mexican American is beginning to see the value of unity, the power of his vote, the importance of education. Much credit must go to men like you who have worked so hard and so long for the realization of this new enlightenment. It is for this reason that I, as the publisher of NEW DAY, would be honored if you would contribute an article for the first issue of the new periodical.

The article can be 1000 words long and it would have to be submitted by September 15, 1962. If you agree to write an article for the first issue of the magazine, please let me know as soon as you can that you will be writing it.

I hope to hear from you soon.

Sincerely yours,

*Fidel C. Loa*
