Dear Dr. Garcia:

I just read the article in the Dallas Morning News written by John Paul Moore about your struggle with your own Mexican - American problem in the State of Texas.

I personally feel that you are a credit to your community and as a physician we are proud to have you as a member of the Texas Medical Association. My congratulations to you in your work. I hope I can be of any help to you in the future.

Very truly yours,

Gaston Machado, M. D.
