June 7, 1949

*Thank you
letter*

Dr. Hector Perez Garcia
Corpus Christi, Texas

Dear Dr. Garcia:

You no doubt have already received a copy of this article from the New York Times. Nevertheless, I am sending another for your family scrap book.

This is to congratulate you on your good work. I have been in the fight for a quarter century and I am glad to see a first-class, vigorous young man like you doing such good work.

Sincerely,

Maury Maverick
