Dear Hector:

Many thanks for your warm letter. I'm sorry to have taken so long in getting back to you.

There's a saying, you know, that a man can be judged as well by his enemies as by his friends. I think we both have something to be proud of now. I have a staff member working on finding that "list" for you.

Buena Suerte,

Su Amigo,

George McGovern

P.S. I have attached a general letter on our Nutrition Policy Conference. Jean Mayer or Ken Schlossberg, staff director of the Select Committee, will be in touch regarding the Forum's direct participation.
