MILITARY FACILITIES COMMITTEE BUSY

You have read accounts of the Washington trip arranged by the Chamber's Ad Hoc Committee on Military Facilities. The committee, headed by Edward H. Harte and Hayden W. Head, met again this morning to plan future strategy. Richard B. Stone heads a Navy sub-committee and Loyd Neal an Army sub-committee. Dr. Hector P. Garcia's presentation to President-Elect Carter's Department of Defense transition team in Washington last Tuesday was outstanding, according to other members of the committee who heard him speak.
