Dear Dr. Garcia:

At our last State meeting we took up a collection for the Veterans
Monument in one of the cities in Texas. Unfortunately, I have mislaid
the letter, and I do not remember the address or the city. Perhaps our
Auxiliary Chairman has it since we were originally going to have her
send the letter. In any event I am enclosing a trust check for $25.00
made out to American G.I. Forum Auxiliary. Please forward it to the
appropriate Forum.

On October 14, I wrote a letter to Chief Justice Roger Traynor with
carbon copies to my two Senators and my Congressman. I have received
acknowledgements from the two Senators. Senator Robert Griffin stated
that he appreciated my concern over the matter of Justice Chargin,
while Senator Philip Hart stated that, "the proceedings as related in
the East San Jose Sun are appalling to say the least, and hopefully
the California Judiciary will take appropriate action in this case."
I also received a letter from the administrative office of the Courts
in San Francisco telling me that my letter was referred to the Commiss-
ion on Judicial Qualifications, 3041 State Building, San Francisco,
California 94102. I would suggest that the members of the Forum should
be requested in the future to write to the Commission on Judical Quali-
fications perhaps with carbons to Justice Traynor and Ronald Reagan.

As you know by now we are having an organizational meeting in Grand Rapids
on November 2. This will increase our membership in Michigan considerably.
I will also instruct Tom Zuniga, and the local chairman to take prompt action
concerning renewals of membership. If Michigan doesn't have at least 300
members by the National Convention, I will be astonished. If we have only
300 members I will be disappointed.

Very truly yours,

George R. Darrah
