Re: Mrs. Trinidad Garza
Appeal Nos. 115-CA-69
562-AT-69
S.S.No. 452 28 5898

Dear Mr. Monks:

This will acknowledge receipt of your copy of the transcript in the above numbered case together with your letter of March 10.

Your letter notes that "payment of benefits to the claimant pending has been suspended pending the outcome of this appeal." What is the logic for this? Regardless of the outcome of the appeal Mrs. Garza is entitled to her current benefits, assuming she is otherwise eligible. The current matter in controversy is the Commission's improper action in unfairly penalizing her. I would appreciate hearing from you at once. This is another example of the inconsiderate and unfair manner in which the Commission administers the law. If I am wrong, I would appreciate your pointing out my error.

Yours very truly,

James Deanda
