Mr. Jesse W. Stuart  
The Robert Driscoll Hotel  
Corpus Christi, Texas 78401

Dear Mr. Stuart:

Cecil Burney, Bill Anderson and I have reached mutual agreement to bring all of the discussion, debate and intrigue concerning the unpaid bill in the amount of \$75.82 to a close. The solution is enclosed.

About the only thing in which we were in complete agreement was that the Hotel should be paid.

Sincerely yours,

James DeAnda

P.S. I hope this is the last bill of unfinished business concerning the National Convention. My donation was \$25.82.
