Dear Doctor:

I need a copy of the article that appeared in the Corpus Christi paper wherein Dana Williams stated that the Mexican test scores in Corpus Christi were higher than anywhere else.

I am on the Greater South Texas Cultural Basin Committee on Education and I was thinking about writing a letter to all of the school boards in South Texas and asking if Williams' statement is correct. If so then our committee needs to do something. Please send me the information and let me know your thinking on this approach.

Sincerely yours,

James DeAnda
