Dr Hector P Garcia 1315 Bright Street Corpus Christi, Texas 78485

Dear Doctor Garcia

Attached is a tearsheet from the July 14th CONGRESSIONAL RECORD with reference to my participation in the presentation of the first soil conservation plan written entirely in Spanish.

Since I feel so strongly that this is the sort of progress we all seek, I am taking the liberty of bringing this particular speech to your personal attention.

Please let me hear from you at any time there may be anything I can do for you and with kindest regards, I am

Sincerely

E (Kika) de la Garza, M C
