Gus Garcia
219 International Building
San Antonio, Texas

Dear Gus:

How are you getting along? I am still very hurt because although the LULAC Constitution provides for a Health Officer, I never got the assignment, although I was hoping I would. Consequently, I cannot attend the LULAC Convention, because I am not an official delegate and I couldn't say anything. If you really want to make up to me, I am asking you to do a great personal favor and I hope that you will be able to do it, and don't say you can't do it!!

All kidding aside, I want you to help me out with Alfred Guerrero from San Marcos. Guerrero is a graduate from San Marcos State Teachers College and is a fine athlete and a type of man that has contributed a lot to our cause and is practically responsible for practically finishing segregation in San Marcos. He is interested in getting a teaching position there in San Antonio. Besides, he will be getting his Master's Degree this summer, and he will be of great help to all of us. Consequently, please write to Mr. Guerrero and tell him what to do. Mr. Guerrero's address is:

Alfred Guerrero
P.O. Box 636
San Marcos, Texas

I know you can help him, so please help him, Gus.

Incidentally, I'd like to call your attention to a very good article called "Why I Live in San Antonio", by General Jonathan Wainwright, published in PAGEANT MAGAZINE, in the June issue.

Also, Gus, what became of the deal about the Rogers Case in Lamesa, Texas. Let me know what we can do to help, because we certainly cannot let this poor boy go to the chair.

For Lords sake, don't let the Laredo boys get hold of the LULACS. Best regards.

Sincerely,

Hector P. Garcia
