Dear Dr. Garcia:

Many thanks for sending us a copy of your letter to our Caracas Bureau Chief Mo Garcia. We, too, were most proud of his actions in saving the life of an East Indian girl, as is reflected in our November 27 Publisher's Letter.

We appreciate your taking the time to share your warm tribute to Mo Garcia with us and, you may be interested to know, several of our readers have written in to applaud Mr. Garcia's actions.

Cordially yours,

Penelope Lamov
