Dear Judge Garza,

I am writing to thank you for all the help you gave me when I was running around like a chicken without a head. I was glad to hear that the charges against my brother were dropped due to the fact that the police officer was no longer on staff. That was a big worry taken off of our shoulders.

I would just like to let you know that if you ever need any help I will be more than glad to help. Thank you once again and God Bless You.

Sincerely,
