Dear George:

Thank you very much for your communications and informations. I want to compliment you for the fine work and be sure and congratulate Dr. Soliz and everybody else. It certainly was wonderful to have been there. I am looking forward to seeing you and some of the other members. I am going to Washington D. C. to talk to Kennedy's Staff about our problems. If there is anything that you would like for me to present for you there, please send it to me immediately.

Que Dios te bendiga.

Your friend as ever,
