Dear Doctor:

Judge Robert G. Hughes of San Angelo, member of the Austin Court of Civil Appeals since January 1947, is a candidate for Chief Justice of the Supreme Court of Texas.

Judge Hughes will be remembered for his opinion outlawing the practice of "naturopathy" in Texas. In so doing he has rendered invaluable service to the people of our State.

Judge Hughes is seeking promotion to the position being vacated by the retirement of Chief Justice Hickman, Judge Hughes' opponent is now a member of the Supreme Court with the same pay and term of office. The election of Judge Hughes' opponent would create another vacancy on the Supreme Court, which would then be filled by appointment of the Governor, about which there is a rumored deal as to the appointee.

Judge Hughes has had some four years more judicial experience and has written some two-hundred more appellate Court opinions than his opponent, thereby demonstrating his qualifications for the office of Chief Justice of the Supreme Court of Texas.

Your support of Judge Hughes is genuinely merited and will be appreciated.

Sincerely yours,

  
Victor E. Schulze, M.D.
