Mr. David S. North
White House
Liason Mexican American Conference
Washington, D. C.

Dear Mr. North:

I want to thank you and your staff for sending me the different kinds of material concerning Federal Programs and that of other agencies concerned with the Mexican American. Please continue sending me this material.

Attached is a copy of a letter from the Honorable Vice-President H. H. Humphrey and a copy of my letter addressed to him. (Both are self-explanatory.)

Mr. North I was going to xerox Mr. Humphrey's letter and put a mailing out to all the Auxiliary Chapters. But after thoroughly studying its contents, I thought better of it. I am sure that it was done unintentionally and perhaps it was a form letter. This is the reason why we keep emphasizing and stressing to the Federal Government and to the White House about hiring and appointing persons of Mexican extraction who not only have compassion and understanding for our people but who work with and not for our people.

I am sure you will agree with me that in order to gain the support of the Mexican-American people for this administration and its programs, good working relationships must be established and maintained.

Respectfully,

Mrs. D. G. Coronado
National Auxilliary Chairman
