Mr. Louis P. Tellez 621 Gabaldon Road, N. W. Albuquerque, New Mexico

Dear Louis:

Will you please rush me a copy of the resolution that the National Convention supposedly approved in respect to the educational foundation idea that is being promoted by Edwin M. Byles. I have just received copy of Bob Sanchez' letter to Byles on this subject.

This may be a good project, but we need to have much more information as to the actual mechanics before we jump into it.

Will you please also rush me the names and addresses of our other National officers. I notice that Bob has Teen Flores' address as 7604 Evans Street in Riverside whereas I had the address of his wife as 7974 Magnolia Avenue.

Sincerely yours,

Ed Idar, Jr. Executive Secretary
