Gentlemen:

For your information and in order to save myself some typing, I am writing to you jointly to send you copies of letters that I sent out in my own county in respect to the present campaign. One letter in English was sent out by me as executive secretary of PASSO to a mailing list of approximately 1,000 persons in my own county and throughout the rest of the state. Another letter in Spanish signed by myself was sent together with the letter signed by Bob Sanchez to approximately 2,000 voters in Precincts 26 and 27 in McAllen. Along with the letter we included a folder of PASSO in Spanish as well as one of the Daniel Spanish folders.

Sincerely yours,

Ed Idar, Jr.
