## THE WHITE HOUSE WASHINGTON

June 28, 1966

Dear Dr. Garcia:

As I recall in the meeting we had here at the White House a couple of weeks ago, someone complained about the discontinuance of messages to Mexican Consuls in this country on Mexican National Holidays.

I have checked into this in the State Department and am having difficulty in determining what the policy used to be in this regard. Will you be kind enough to advise me about this problem so I can proceed?

Kindest personal regards.

Sincerely yours,

Jake Jacobsen Legislative Counsel to the President
