

E.A. Ranch

*Stonewall, Texas*

February 12, 1973

Dear Hector:

Thank you for helping to make so many of the bright, happy productive years possible for Lyndon and for me. I was comforted by your lovely message and grateful that you truly understand the extent of our loss...and the extent of Lyndon's hopes and dreams for the people.

You were kind to say so when it meant the most.

Sincerely,

*Lacy Bird Johnson*
