Dear Dr. Garcia:

I have the copy of your letter of May 27 addressed to the Secretary of Labor in which you urge the establishment of a field office of the Wage and Hour Division at Corpus.

I am contacting the Secretary at once with regard to your proposal and am asking for a report as to what may be done in this direction. Just as soon as I have some definite information on the matter, I shall be in touch with you.

With best wishes, I am,

ncerely, Lyndon B. Johnson
