Dear Doctor Garcia:

I appreciate your letter of April 2nd. My delay in replying is due to the fact that I returned only this past week-end from a visit to Texas.

I am enclosing a copy of the statement I have sent Mr. Raul Morin for his book, "Contribution of the American Soldier of Mexican Origin During World War II." I hope it will be helpful to him. And I want you to know I appreciate your giving me the opportunity to have some small part in this book.

My good wishes to you, as always.

Sincerely,

Lyndon B. Johnson

Dear Doctor Garcia:

Thank you very much for your telegram reminding me of the invitation you so generously extended me to speak before the National GI Forum convention on July 4th.

I had hoped very strongly that I would be able to accept this invitation. It appeals to me greatly, as you will understand. I have reluctantly come to the conclusion, however, that it would not be wise for me to try to take on anything else during the week on which July 4th falls. I am sorry about this. It would be an honor to address your convention.

All good wishes. Please let me know when you need me.

Sincerely,

Lyndon B. Johnson
