## Dear Hector:

On the occasion of the National Convention of the American G. I. Forum I wish to express my congratulations to the members of your great organization.

All Americans can rightly share with you a deep sense of satisfaction and pride in the formidable record of achievements compiled by the Forum. As its founder and guiding force you have realized a living expression of America's mission in the world.

May the American G. I. Forum continue on its path of service to the Spanish-speaking citizens of this country, for as it does, it builds a better and stronger America.

Sincerely,

Lyndon B. Johnson

Dear Doctor Carela!

Thank you so much for your telegram inviting me to be the guest of the American GI Forum Groups of Texas on Thursday, August 10 in Corpus Christi.

As much as I would like to attend this great meeting, I am afraid that my duties at that time and my already overcrowded schedule will not permit me to attend.

Thank you for thinking of me.

Lyndon B. Johnson
