

United States Senate
Office of the Democratic Leader
Washington, D.C.

January 12, 1961

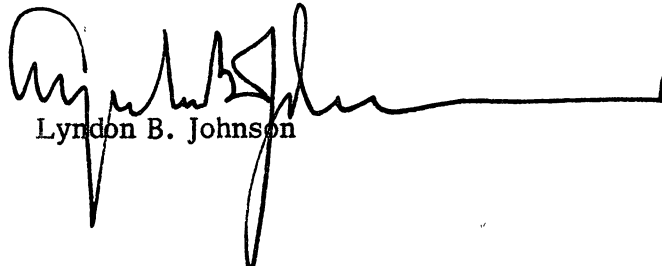

Dear Dr. Garcia:

I have just talked to Congressman John Young about Mr. Roy Rodriguez and your interest in his securing a position with a bank here in Washington. The Congressman tells me Mr. Rodriguez had in mind a position with the Development Loan Fund which makes loans to South American countries. However, he stated that no encouragement was offered in the matter at the present time.

In an effort to be of assistance, I am also following up on the request and will be in touch with you again as soon as I have some definite information from the Fund.

Of course, I know you realize that I have no authority in the making of such appointments.

Sincerely,

Lyndon B. Johnson
