Dear Dr. Garcia,

Cameron Park Valley Interfaith will hold a meeting with State Treasurer Ann Richards on Monday, November 21st at 7:30 p.m. at San Patricio Mission, on Rancho Viejo Road in Cameron Park.

Treasurer Richards has been working with Valley Interfaith on a Municipal Utility District (MUD) that the residents of Cameron Park will establish for the purpose of building a sewer system in the colonia. Cameron Park Valley Interfaith has invited her to explain the financial options available to the MUD when it is established.

Because of your interest in the project, we would like you to join us. Please call to confirm your acceptance. If you have questions, please direct them to Sr. Christine Stephens at 565-6316.

Sincerely,

Sergio Martinez
President, Cameron Park
