Dear Hector;

Thank you for your letter expressing your support for Senate Bill 122 authored by Senator Truan. I would like to advise that the bill was debated by the Texas Senate and passed on February 27, 1989, with my support. Education has always been a top priority with me and I will continue to do all that I can to meet those needs.

Thank you again for your input. It is groups such as yours who take an interest who have the most influence on the attitudes and directions this State may take. If I may be of any assistance in the future, please do not hesitate to contact me.

Very truly yours,

Bob Glasgow
