Dear Hector:

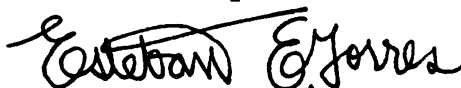

Last year Congress wrote legislation to reform the 8(a) small business program. At my request, a business owners guide to the new law has been written. If you wish to have a copy of this guide, please write and let me know.

I was proud to have been a major contributor to the new 8(a) reform bill, formerly known as the Business Opportunity Development Reform Act of 1988 (P.L. 100-656). Sweeping changes in the program are about to be implemented.

If you own or operate an 8(a) certified company, you will probably need a copy of this guide. If you are thinking about becoming 8(a) certified, this guide will be an invaluable tool.

I have a limited number of copies available so let me hear from you as soon as possible.

Sincerely,

ESTEBAN E. TORRES
Member of Congress
