Dear Dr. Garcia:

Congratulations on being selected for the Distinguished Alumnus Award from the Ex-Students' Association. You have brought much distinction to The University of Texas at Austin and we are all proud to be associated in this way with your accomplishments. We have heard and have said for years that the success of any higher education institution is secured in the lives of its graduates. Your life is marked evidence that this belief is well founded. I look forward to talking with you at the award ceremonies in October.

With very best wishes,

Sincerely,
