Dear Dr. *Hector* Garcia,

Thanks to your hard work and tremendous support, the officers and crew of the USS City of Corpus Christi (SSN 705) left the city with some very fond and warm memories.

You contributed your time, talents, and/or monies to insure that the the submarine's visit was successful, and I am very grateful to each of you.

I would like to keep this Commission in-tact and in touch with the officers and crew. The committee assigned to the traveling exhibit should continue to meet and update the Commissioners on the exhibit's status.

I will personally keep in touch with the Commander and the submarine's schedule to keep the Commissioners informed as to their ports of call.

I also hope to be mailing out quarterly reports for the Commissioners on what is going on with 'your' submarine. Committee Chairpersons should submit any update information to my office so that it may be included in the reports to Commissioners.

Once again, thank you for all your time, talents, hard work and contributions. You're the best.

Kindest personal regards,

Betty
