of Texas**

4502 Dandridge Dr.
Corpus Christi, TX 78413

9/10/89

Dear Founder,

At your request, here is the Kathryn Childer channel 3 KIII T.V. program tape copy of 9/5/89 that you were not able to participate in because of an emergency Coronary.

The T.V. station could not give us a copy because they had already taped over the original. My daughter Veronica had taped the program so I took the tape to A.M. Productions to get the copy for you.

In Search of Justice
Gilberto Jasso
