Dear Hector,

How pleased and proud I am you are to receive such high recognition from the University of Texas! I only wish I could have a front row seat for the Distinguished Alumnus Awards ceremonies on October sixth. Much to my distress, a conflicting engagement will make it impossible, but I will be looking for you at the Life Member Brunch on Saturday.

Haven't we lived through adventurous and interesting times?!! I'm so glad to have shared some of them with you, as I know Lyndon was. Your life has reflected credit on "our" University and made a difference in the lives of so many.

With a proud salute,

Lady Bird Johnson
