Dear Dr. Hector,

I would like to take this opportunity to congratulate you for being honored by the Midwest Northeast Voter Registration Education Project.

Recognition for your dedicated services to the community is certainly long overdue. I know that the Hispanic communities that you have helped over the years have greatly benefitted from your hard work and dedication.

Your support and friendship has always meant a great deal to me. If there is any way that I may ever be of assistance to you, please do not hesitate to let me know.

Once again, congratulations and best wishes.

With kindest personal regards, I am

Sincerely,
