

Estimado Dr. Garcia,

Otra vez quiero agradecerle a ud. todo el trabajo que hizo durante mi campaña para tesorero. I know that I could not have won Hueco County without your support.

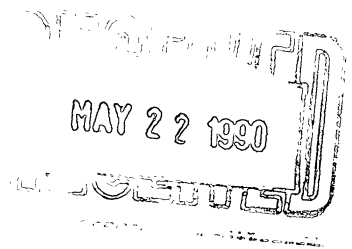

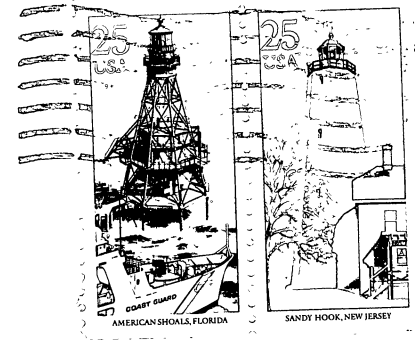

I am in the process of trying to move back to Corpus to continue my professional and political work. I have applied for a couple of positions at CCSU and am waiting to hear. I enclose my resumé and hope that you will keep your eyes and ears open should anything develop that would provide suitable employment and that I might be qualified for.

Ojalá que todo va bien. Saludos a todos.

Sinceramente,

Armando Gutierrez
