BY HAND

Dear Ms. Aragon:

In response to your letter of appeal of the recommendation of Grading and Promotions Committee A, I have reviewed your academic record, have offered you the opportunity to provide any additional written material for my review and have offered to consult with any faculty or staff that you designate. On May 17, 1990 I met with you and heard your oral appeal. Based on all of the above, I concur with the recommendation of the Committee and therefore your appeal is denied.

Sincerely yours,

George T. Bryan, M.D.
Dean of Medicine
